

SAVE THE DATE

1st Meeting with Advisory Committee - CEPID Redoxome (CEPID Redoxoma)

Dates: 02.05.2015 and 02.06.2015

Address: Biblioteca Brasileira Guita e José Mindlin (Auditório István Jancsó)

Rua da Biblioteca, s/n, Cidade Universitária, São Paulo, SP

Advisory Committee Members:

- ✓ Balaraman Kalyanaraman, Medical College of Wisconsin, USA
- ✓ Gary Fiskum, University of Maryland, USA
- ✓ Rafael Radi, Universidad de la República, UY

PROGRAM

February 5, 2015

- 9am - 9.30am Opening
 Ohara Augusto
- 9.30am - 10.30am Reactivity of redox species and intermediates in biological environments and consequent changes in biomolecule structure and function*
 Marisa Gennari de Medeiros
- 10.30am - 11am Coffee-Break
 (Served on mezzanine of Livraria João Alexandre Barbosa)
- 11am - 12pm Mechanisms of generation and control of redox species and intermediates in biological systems*
 Luis Eduardo Soares Netto
- 12pm - 2pm Lunch
- 2pm - 3pm Mechanisms and networks involved in redox signaling processes relevant to human disease*
 Alícia Kowaltowski
- 3pm - 4pm Diagnostic and therapeutic applications of redox processes*
 Francisco Laurindo

February 6, 2015

- 9am - 10am Education and science dissemination*
 Carmen Fernandez
- 10am - 10.30am Coffee-Break
 (Served on mezzanine of Livraria João Alexandre Barbosa)
- 10.30am - 11.30am Technology transfer*
 Paolo Di Mascio
- 11.30am - 12.30pm Discussion panel
- 12.30pm - 2pm Lunch
- 2pm - 4pm Advisory Committee internal meeting

*Dynamics: 30 minutes for presentation + 30 minutes for discussion
